Q. How to register at “agMOOCs” website and enroll for the courses?

Follow the steps given below to register at agMOOCs:

1. Go to the course website (www.agmoocs.in)

2. Click on “Register/Sign In” in the top right hand corner.

3. Click on “Create New Account”.

4. A form opens up. Fill in all the information like, full name, email, gender and nationality etc and then click on “CREATE NEW ACCOUNT”.

5. Now a mail will be sent to your registered email address. Click on the one time link in the mail to set your password.

6. From now on, “SIGN IN” then click on the Courses.

7. Select a course under the heading “Upcoming”
8. Click on “Enroll”. This is one step process.

9. Click on “Access Course” to get to “Course Home”.

10. Click on “Enroll” again to complete the enrollment process.
10. Course-Home is the class-room of an online course. Here you can watch the lecture videos, access Forums, Resources, Announcements etc..
